BIRTHDAY PARTY BOOKING FORM

Our birthday parties cater for all ages of children or adults. The main children's party package consists of half an hour grooming the ponies and learning about the pony, half an hour riding when they each go out on a pony or if they can ride they can either have a half hour lesson or a faster ride. Then the children return to the party area or the garden - in the summer - to the picnic tables where a party box is provided with a sausage roll, a packet of crisps, a chocolate biscuit, a carton of juice and an ice-cream. You may also upgrade to a "Super" birthday with a hot meal for an extra £2 per head. The minimum number for our parties is 10.

A birthday rosette is provided for the birthday girl or boy. All you need to do is bring them along and if you wish, provide a birthday cake.

We also can pick them up at your house if you prefer and return them to you. This is available in Edinburgh or 8 mile radius of Lasswade. Further afield may be possible - please ask for a quote.

The price for the birthday party without bus pick-up is £15 and with bus pick-up £17 per child. (Maximum for the bus is 14.)

Please note that we now require a £50 non-returnable deposit.

Confirmation of booking will be sent once deposit is received.
