Once a Deposit has been paid and your horse booked, we will endeavour to keep you with that horse, barring any unforeseen circumstances.

Whilst we take every care to provide you with a suitable mount in accordance with your request and stated riding experience, we accept no responsibility for any accident or injury incurred, howsoever occasioned.

In the interests of safety we recommend that all riders come and try out their mount prior to their rideout. Please do not leave this too late as horses get booked up fast. Anyone not trying a horse will be mounted according to their stated experience on booking form. Please be honest as we reserve the right to refuse to mount you if your ability or weight does not match your form. Please note, any rider that swaps their horse whilst on the ride, without our permission, will invalidate our insurance.

No hats are provided by us unless by prior arrangement. All hats must conform to current standard (PAS 015 BSEN1384) – if in doubt please check with us. Please note, our insurance will not cover berets, bowlers etc. If you wish to ride with these, you need your own insurance and need to sign a form prior to the ride.

Due to the costs involved in preparing and transporting a horse to a ride, if a deposit has not been paid, no horse will be taken to the ride for you.
