Gala Day Pony Hire 2019

£120 per pony for 3 hours with a minimum of 2 ponies within the Edinburgh area or an 8 mile radius of Lasswade. Greater distances are possible, please ask for a quote. **Please note we now require a £50 deposit. This must be paid when returning your completed booking form. In the event of wet weather, this is non-returnable, but no other fee will be charged.**

Ponies are delivered & equipped with a leader and riding hats are supplied.

Please arrange for someone to collect money from riders. We suggest £3.00 per ride. This should cover your costs. Due to new Health and Safety regulations we will supply somebody to fit hats and mount children. This will incur an extra charge of £70. (1 person to 3 ponies). **Please note we will not operate without this.**

Fees are inclusive of VAT if they are paid on the day however if you have to be billed the VAT will be added on.

Ponies require a certain amount of respect so please do not site us next to the bouncy castle or equivalent.

N.B. Certain dates are very popular so we advise that you book A.S.A.P. to avoid disappointment.

Someone must be available to come and meet the lorry and guide us to site – this wastes too much time if we cannot find appropriate person. Also we do need space to park either a lorry or a van and trailer. Unfortunately due to costs we cannot be there hours before unless you want to incur additional costs.
